Looking for biblical answers on how to be the godly woman, wife and mother God created you to be? Here is a Bible study full of wisdom, inspiration and practical application. Included in the Bible study are weekly homework lessons on founding your life on God's Word, specific mothering skills to equip you for raising a godly family, encouragement for your marriage, and advice about work and ministry. This study will strengthen your walk with God, while empowering you to live out your faith on a daily basis starting with your family. We recommend this study if you are new, need a refresher, or just want a study on what the Bible says about having a relationship with God, marriage, and parenting, with practical application ideas. We'll watch and discuss a 25-minute teaching video every other week.

Testimonials

“Moms Together has taught me how to work Bible study into my busy life. I've learned there is nothing more important to my sanity and effectiveness than pursuing the Lord through His Word and prayer.”

“My life has changed so much since attending. My prayer life has strengthened. I am enjoying parenting more, but most importantly, my marriage has grown and strengthened. Moms Together has encouraged me in so many ways.”

“Being new to the church, Moms Together has given me an opportunity to meet other Christian women. This group of women has been so inspiring and supportive towards me.”

“There are not many, if not any, places where a woman can *really* open her heart to share in such an intimate way. The Heart to Heart group creates a safe, loving space where she can be vulnerable, honest and not judged.”

“It is inspiring to be with a group of mothers who seek to put the lordship of Jesus first in their lives on a daily basis. The support of these women for one another is such an encouragement and fosters real Christian community.”
